

## TAUTUKU BLOCK X SECTION 3C TRUST CATHEDRAL CAVES

The access gate is opened and closed approximately 2 hours before and after low tide depending on daily sea conditions. Access is not available before 0730 or after 2030. In the event of either unsafe access or tidal conditions the access gate will remain closed in the interest of public safety.

A road /track user fee is charged to maintain and upgrade the facilities most of which are on privately owned land administered by our Trust.

The Trust at all times attempts to keep the public informed as to safety issues relating to Waipati Beach/Cathedral Caves however, as local weather and sea conditions can change rapidly the public are warned that they need to be aware of and are personally responsible for their immediate personal safety at all times. Accordingly the Trust takes no responsibility for any personal injury or property damaged whilst on the foreshore (beach).

Freak waves can occur even at low tide
